Patient Name: _____

DOB: _____

Please put a check mark **✗** on the blank of each item that applies to your child:

School Age:

- My child is overly sensitive to stimulation, overreacts to or does not like touch, noise, smells, etc.
- My child is easily distracted in the classroom, often out of his/her seat, fidgety.
- My child is easily overwhelmed at the playground, during recess and in class.
- My child is slow to perform tasks.
- My child has difficulty performing or avoids fine motor tasks such as handwriting.
- My child appears clumsy and stumbles often, slouches in chair.
- My child craves rough housing, tackling/wrestling games.
- My child is slow to learn new activities.
- My child is in constant motion.
- My child has difficulty learning new motor tasks and prefers sedentary activities.
- My child has difficulty making friends (overly aggressive or passive/ withdrawn).
- My child gets stuck' on tasks and has difficulty changing to another task.
- My child confuses similar sounding words, misinterprets questions or requests.
- My child has difficulty reading, especially aloud.
- My child stumbles over words; speech lacks fluency, and rhythm is hesitant.

Adolescent/Adult:

- I am over-sensitive to environmental stimulation: I do not like being touched.
- I avoid visually stimulating environments and/or I am sensitive to sounds.
- I often feel lethargic and slow in starting my day.
- I often begin new tasks simultaneously and leave many of them uncompleted.
- I use an inappropriate amount of force when handling objects.
- I often bump into things or develop bruises that I cannot recall.
- I have difficulty learning new motor tasks, or sequencing steps of a task.
- I need physical activities to help me maintain my focus throughout the day.
- I have difficulty staying focused at work and in meetings.
- I misinterpret questions and requests, requiring more clarification than usual.
- I have difficulty reading, especially aloud.
- My speech lacks fluency, I stumble over words.
- I must read material several times to absorb the content.
- I have trouble forming thoughts and ideas in oral presentations.
